

HARLAN COUNTY SCHOOLS RESTRAINT AND SECLUSION POSITIVE BEHAVIOR IN SCHOOLS – BULLY PEVENTION

Online Training Now Available: Positive Behavior in Schools III: Bully Prevention

At the start of the 2013-2014 school year, all Kentucky school personnel were required to have annual training in positive behavioral interventions and supports pursuant to [704 KAR 7:160. The Use of Physical Restraint and Seclusion in Public Schools, Section 6\(1\)](#).

Positive Behavior in Schools III: Bully Prevention, a free, online professional development training course, is now available! This year's training runs two hours. The content provides simple strategies for implementing evidence-based school-wide instruction to prevent bullying behavior. This practice is embedded within the positive behavior intervention and support (PBIS) content previously presented and does not represent a separate focus. As with previous models, videos featuring Kentucky schools are presented to provide clear examples of the simplicity with which this instruction can be implemented.

While there is no requirements for districts to use this specific training, it satisfies the requirements of the regulation and is free to districts.

To enroll in **PBIS III: Bully Prevention**, go to <http://www.pbs.org/teacherline/catalog/courses/lead1103/> and look for enrollment information. You will need a PBS TeacherLine or PBS LearningMedia login to enroll. If you do not already have a PBS account, you will directed to create one.

You may also continue to access previous trainings as follows:
